## Application of Matthew 28:16-20

1. Discipleship is in the home, at work, and it is **the** ministry of the church. How can you be more intentional in these contexts and the relationships the Lord has given you to “make disciples?”
2. Do you have an attitude to go? Do your prayers, your financial decisions, and your time management reflect this attitude?
3. Is there something you need to stop doing or start doing to be more deliberate in making disciples?
4. How clearly are you able to articulate the Gospel? Feel free to use the 4 R’s (Reverence, Rejected, Redemption, Response) as a template. Begin memorizing Bible verses that teach Gospel truths.
5. This week pray for unbelievers you know, asking the Lord to save them and for opportunities you might have to share the Gospel with them
6. You could also study and pray for the unreached in other parts of the world through a ministry like HeartCry Missionary Society or a resource like [www.joshuaproject.net](http://www.joshuaproject.net)
7. What opportunities exist for you to teach others (informally and formally, through actions and words) to observe all that the Lord has commanded?
8. This week encourage a fellow believer e.g. ask them how you can pray for them (and then pray), comment on something they do/say that bears witness of their walk with the Lord, ask how they are doing (and listen).

Reading this week: In two weeks I plan on starting a series through Colossians. Get familiar with this book ahead of time by reading it through multiple times.
