

Habakkuk 3:3-7

Yahweh Has Come and is Coming!

The Picture of Yahweh's Approach (vv. 3-5)

The Effect of Yahweh's Arrival (vv. 6-7)

Application of Habakkuk 3:3-7

1. What's the significance of God coming (past and future)? What does this teach us about God's heart for His people?
 - a. Think of other references to God's coming as a source of strength and comfort for the future.
2. What does it mean that God is "the Holy One" and how does this relate to our passage? You may want to look up other references to God's title as "the Holy One."
3. Reflect on other passages that also describe the glory and majesty of Yahweh e.g. 1 Chron 29:11; Ps 96
 - a. Consider also that what we see and know of God is only a partial fragment of His full and perfect glory and power!
4. How might remembering God's past acts as you also look to the future, provide you with comfort, strength, and encouragement; particularly as we recognize this passage was a song to be sung by God's people? See also Rom 15:4.
 - a. Read Eph 2:11-22 and "remember" your former state and praise God for what He's done in and through your life, for this is the most personal and powerful act of God in our lives.
 - b. What other work has God done in your life that encourages and strengthens your faith in Him to work again in the future?
5. How does the description of God in this passage enlarge your view of God?
 - a. How does it also give you confidence and comfort as you recognize our God is Sovereign over all the nations and none can stand before Him?
6. God came in the past with power to judge the unrighteous and save His chosen people, are you praying for Him to come again (e.g. Rev 22:20) and are you ready for His return?
