Application of "Love OF God My Saviour"

1. How does human experience and "knowledge" of love leave us far short of understanding God's love?
2. What does the "simplicity of God" mean? How does this relate to the love of God (and God's love in relation to His other perfections)?
3. Because God is sovereign His love is sovereign! Reflect on God's choice to love you, which isn't based on your affections or actions toward Him (or anything about you), but that He sovereignly chose to love you.
4. Because God is infinite His love is infinite! Meditate on God's great (Eph 2:4) and abounding (Ps 103:8) love... his immeasurable, uncontainable love for you.
5. Because God is eternal His love is eternal! Meditate on God's love for you before time even existed and His love that will continue, never ceasing, forever (see Psalm 136; Jer 31:3).
6. Because God is Immutable (unchanging) His love is unchanging! Consider God's unchanging love for you (see John 13:1; Rom 8:32-39).
7. Consider God's demonstration of love for you, see John 3:16; Rom 5:8; Gal 2:20; Eph 5:2, 25; 1 John 4:9-10 and respond in thanks!
 - a. Think about this... God the Father loves you as He loves Jesus (John 17:23)!
8. Because we can only love because we know God and because He loved us first, how does God's love serve as a model for us to:
 - a. love other believers?
 - b. love our enemies?
 - c. obey God?
9. If you're afflicted with doubt about God's love, reflect on what the Bible teaches, taking to heart these truths and committing (by the grace of God) to never doubt His love (even in the worst of circumstances) because He is love and His love for you is eternal, infinite, immutable!
